

## PARK CITY SOCIETY

Special to The Tribune.

PARK CITY, Oct. 10.—One of the most successful, as well as pleasant affairs ever given in this city was the "bloomer party" given Saturday evening at the home of Mrs. John F. Welsh, by Mrs. Welsh and Mrs. Lucy R. Garvin. Attractive invitations were sent out by the two ladies several days before announcing the "bloomer party," and the curiosity of the receivers of the said invitations were greatly aroused, and much interest was taken in the affair by all the interested ones. After the guests had all arrived at the Welsh home, the two charming hostesses presented each one present with two flowers, neatly tied together, which were the "bloomers." This clever little "stunt" brought forth a good laugh from the crowd of ladies, which was repeated several times during the evening whenever the word "bloomer" was mentioned. Cards furnished the enjoyment, the game of five hundred being played, and at the close the prizes were awarded to Mrs. L. E. Hubbard, Mrs. Edwin Nesbitt and Mrs. J. M. Leary. Those who enjoyed the evening were the Mesdames Shuman, Nesbitt, Fargo, Smith, Thompson, McEwan, Begg, Sutton, Hubbard, Hart, Talbot, Allen, Buck, McLeary, Lockhart, Whiteley, and the Mesdames Bardsley, Harrington, Bailey, Lawrence, Stuart, Fitzpatrick, Minnie and Kathryn Cunningham. Dainty refreshments were served.

The first regular meeting of the Woman's Athenaeum since the adjournment last June for the summer months was held Monday afternoon at the home of the president, Mrs. F. W. Hayt. The first meeting of the day is known as President day, and at this session each member is given the privilege of inviting one or more persons to be present at the next meeting. Mrs. Hayt called the women to order and the minutes of the previous meeting were read and accepted. Mrs. LeCompte, the last year president, was presented with a beautiful bouquet of flowers and the lady, in a few well-chosen remarks, thanked the club members for remembering her so kindly and assured all of them that she would always work hard for the best interests of the Park City Woman's Athenaeum. Miss Ruth Wilson rendered several beautiful piano selections, which were greatly enjoyed by all present. A delegate to the Woman's club convention, which will be held in Monticello, Utah, this month, was elected, and Mrs. Dr. LeCompte was chosen to represent the local club, with Miss Kate Lawrence as alternate. The home of Mrs. A. R. Williams was decided upon for the next meeting place, and the time set for Monday, October 12. After the meeting, Mrs. Hayt served dainty refreshments to all the ladies present. The day was in every way a very successful one, and the coming season is expected to be the "blossom one" for the Woman's Athenaeum of this city.

## Lord Bacon Said, "Digest"

This Is the Secret of Life in Business or in Health.

It is claimed that Lord Bacon struck the prime keynote of life when he wrote: "Some books are to be tasted, others to be swallowed, and some few to be chewed and digested."

He wrote of books; many who have followed him have written likewise of life. The man who digests his business makes success; the actor or actress who digests his or her art brings fame; the man who lives life and digests it as he should lives as was the intention he should live.

It is not the food you swallow or taste that brings happiness to you; it is the food you digest.

If you swallow and taste and don't digest and chew, Nature cannot give you health, for you do not furnish the ammunition.

Stuart's Dyspepsia Tablets contain in pure, concentrated form the essences which, when they reach the stomach, turn dyspeptic conditions into those of healthy digestion.

These little tablets are dissolved in the mouth by saliva; they mix with this fluid and are passed down into the stomach, where they immediately set to work upon the food and digest it. They are many times more powerful than the human digestive fluids, and thus replenish Nature with those juices which sickness, abuse or wrongful eating have exhausted.

The world's best chemists in Europe and America agree on the ingredients best adapted to perfect digestion. Stuart's Dyspepsia Tablets are these ingredients presented to the stomach in the most pleasant and lasting form.

Powders and liquids soon lose their effectiveness through chemical action and decay. Stuart's Dyspepsia Tablets are made under terrific pressure, and their qualities are thus made lasting.

Forty thousand physicians prescribe and use these tablets, and every druggist sells them. Price, 50 cents. Send us your name and address and we will send you a trial package by mail free. Address P. A. Stuart Co., 130 Stuart Building, Marshall, Mich.
